UCI Division of Continuing Education

Jun 8, 2024

Laman Panakhova

has successfully completed the online, non-credit Specialization

Helen Nam
Instructor
International Programs

IELTS Preparation

In the IELTS Preparation specialization, learners developed their skills in four skill areas -- writing, listening, speaking, and reading -- in order to perform their best on the IELTS exam. The specialization focused on the format of the exam, the types of questions on the test, and how to best approach each type of question so that learners can enter the exam knowing what to expect and how to reach their target scores.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

Jul 14, 2024

Laman Panakhova

has successfully completed the online, non-credit Specialization

Andrew Ng, Instructor,
DeepLearning.AI

Machine Learning

Congratulations on completing all three courses of the Machine Learning Specialization! You studied modern machine learning concepts, including supervised learning (linear regression, logistic regression, neural networks, decision trees), unsupervised learning (clustering, anomaly detection), recommender systems, and reinforcement learning. You learned some of the best practices for building machine learning models. You've also gained practical skills to apply machine learning techniques to challenging real-world problems. Now #BreakIntoAI and start building your career in machine learning!

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

Congratulations
Laman Namaz Panakhova

for completing the
Forward
Program*

30/07/2024

*Earners of this badge have completed the McKinsey Forward online learning program. This program enables participants to develop practical skills for success in the future of work. Participants learn how to apply the McKinsey approach to problem-solving, become more effective and influential communicators and develop adaptable and resilience mindsets and habits. They also learn how to plan for and develop a foundational digital toolkit.

*Please note that McKinsey is not an accredited education body, and thus participants of the Forward program will not receive an accredited qualification or credential.
